Purpose:

The purpose of this policy is to ensure that all employees of Little Petal, including Family Engagement and Support Educators and other staff responsible for the direct care of children, understand and adhere to appropriate procedures for obtaining and verifying authorisations. This includes actions related to medication administration, transportation of children, access to personal records, and collection of children from other education settings.

Scope:

This policy applies to all employees of Little Petal involved in the care and supervision of children enrolled in the service.

Policy Objectives:

- To ensure children's safety and well-being by verifying and recording proper authorisations for specific actions.

- A copy of the authorisation provided to Little Petal for record-keeping purposes.

2. Verbal Authorisations in Exceptional Circumstances:

- In exceptional cases where written authorisation is not immediately possible, verbal authorisation from the parent/guardian or authorised person may be accepted.

- Verbal authorisation must be followed by the completion of the required documentation as soon as practicable.
- Employees must verify the identity of the person giving verbal authorisation by requesting and reviewing official identification before acting on the verbal instructions.
