FESE JOB ADVERTISEMENT JUNE 2025

WE'RE HIRING: 2 FAMILY ENGAGEMENT AND SUPPORT EDUCATORS (CASUAL POSITIONS)

LOCATION: ADELAIDE, SOUTH AUSTRALIA

UP TO 25 HOURS PER WEEK | IMMEDIATE START | MISCELLANEOUS AWARD LEVEL 4

At Little Petal, we do things differently. We deliver in-home, family-centred support for some of the most vulnerable individuals and families in our community. Our practice is trauma-informed, strength-based, client-led, and culturally responsive because we believe every person deserves access to high-quality, tailored support that meets them where they are.

This role forms part of our Family Engagement and Support Educator (FESE) Program, which delivers a layered intensity of supports to best cater to the holistic needs of individuals and families. The FESE Program sits within a broader service model that includes child and family capacity-building programs and Children's Contact Support Services, all designed to strengthen family functioning and promote safety, development, and wellbeing.

We are currently seeking two people to become our next Family Engagement and Support Educators (FESE) to join our passionate, multidisciplinary team on a casual basis.

About the Role

This is not an easy job, and we won't pretend otherwise. This work demands stamina, grit, and a genuine commitment to showing up, consistently, for the people you support. But if you're looking for meaningful work that changes lives, this could be the opportunity you've been waiting for.

You'll support individuals and families in their homes and communities to strengthen relationships, build capacity, and create safer, more consistent environments that promote wellbeing and positive development.

You must be available to work your allocated hours consistently each week (up to 25 hours), with flexibility across mornings, afternoons, and occasional weekends.
